### REMARKS

Claims 8-14 were pending. Upon entry of this amendment, claims 10-14 are pending. Applicants herein cancel claims 1-3 and 5-9 without disclaimer and without prejudice to filing a divisional and/or a continuation application including the subject matter of the canceled claims. Applicants amend claim 10 to correct a typographical error, specifying that the human immunoglobulin chain referred to is a kappa chain. Support for the amendment can be found in the specification and claims as filed. No new matter has been added. Applicants respectfully request entry of the amendment.

On June 23, 2004, the undersigned received a telephone call from the Examiner that the application contained allowable subject matter. Applicants submit this amendment in accordance with the Examiner's observation that the application is in condition for allowance but for minor changes to the claims. Applicants submit that the application is now in condition for allowance.

### Conclusion

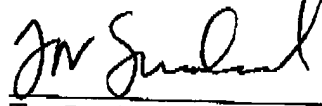

In light of the amendments and remarks herein, Applicants respectfully request allowance of this application.

No fee is believed to be due with respect to the filing of this amendment. If any fees are due, or an overpayment has been made, please charge, or credit, our Deposit Account No. 11-0171 for such sum.

If the Examiner has any questions regarding the present application, the Examiner
